

## ATTENTION PROVIDERS AND/OR STAFF

**Do you know that one of the most significant factors for Meaningful Use (MU) audit failures is the absence of or an inadequate Risk Analysis!**

**The State Level Registry (SLR) for Medicaid will be opening in August 2016 for 2015 MU Attestations. It will reopen for 2016 MU Attestations in January of 2017. There are only a few months left to complete your Risk Analysis for your 2016 MU Attestations.**
